

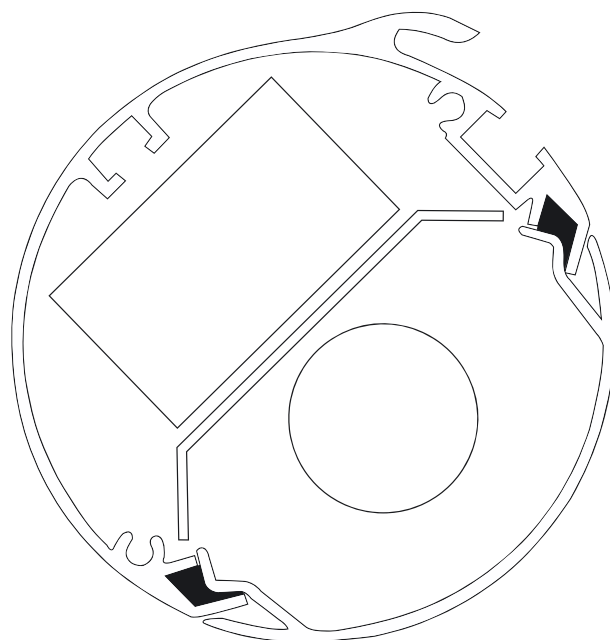

# Imagelight

*Imagelight* recognised the requirement for a 'budget' sign light and believe our innovative new *Imagelight* to be the most competitively priced in the UK today.

Sleek and stylish, *Imagelight* offers a unique bracket fixing system that enables the fixer vastly reduced installation times and costs.

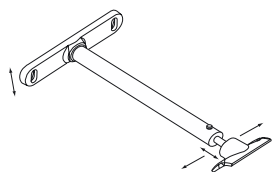

Together with its certified IP65 rating and high frequency electronic control gear fitted as standard, *Imagelight* is the most cost efficient and durable sign light of its kind.
